

Black History Month October 2019

Black history month always provides a fantastic opportunity for us as a school, to recognise the outstanding contributions of people from African and Caribbean descent from all over the world.

This year children and staff marked the annual Black history month, by learning about the experiences and lives of significant Black people.

Year 5 and Year 6

The children discovered the inspirational life of Walter Tull and conducted a lot of research to produce stunning pieces of work about his inspirational life.

Year 3 and Year 4

Children in lower school discussed and performed pieces from the picture book 'Dream Variations' which is a story told through poetry.
