

Year 3 Gurdwara Trip February 2020

As part of the R.E curriculum in Year 3, we visited the Gurdwara to enhance our learning about Sikhism. We learnt that it was important for us to remove our shoes and keep our heads covered at all times. Our guide Dal told us lots of information about the Sikh religion, including the Punjabi word 'Ik Onkar' which means 'One God'. As part of our trip, we watched a video about a Sikh girl and her family who are regular visitors of the Gurdwara. We have learnt that Sikhs live up to three main rules: to meditate, to earn an honest living and to share what they have. As a result, people of the Sikh religion are very generous and take part in lots of opportunities to volunteer. Finally, we spent sometime in the main prayer room.

This is the follow up work we completed when we went back to school.
