

A MESSAGE FROM YOUR HEAD OF YEAR – MRS MEWIS

Hi Year 6,

I really can't wait to welcome you to Oldbury Academy as soon as we are able to have you in school. I am sure you are all feeling a little apprehensive about the move to 'big school', especially at a time when you are not able to attend your Primary Schools. I would like to reassure you that myself and the Year Team will do everything we can to ensure your transition runs smoothly and you settle into life at Oldbury Academy.

I am sure you all have different things you are looking forward to experiencing at Oldbury Academy from cooking in our Technology rooms to getting a chance to do Science experiments in our Labs. You will also have lots of questions especially if you have not visited our school before, over the next few weeks we will be sharing videos and information with you to ensure that we answer those questions. Via YouTube you will get the chance to meet some of the staff at Oldbury Academy and most importantly your form tutors who will be your first point of contact when you start with us. Your Form Tutors will be calling to introduce themselves before the summer holiday and when you join us in school you will see them each morning for registration and will be able to help you with any worries or information you may need.

When you join us in school you will soon become part of the Oldbury Academy family and with our school ethos of #CARE we will ensure you enjoy your Secondary School journey and achieve your goals.
