# Moat Farm's

## Reading newsletter Autumn term

Welcome to the second addition of Moat Farm's reading newsletter. As a school, we firmly believe and advocate that reading for pleasure impacts on children's futures and their life chances. In school, we actively promote the encouragement of reading as a pleasurable activity and embed a love of reading throughout life.

Congratulations to all of our reading ambassadors and a huge thank you to all the children who applied. It was evident from the applications how passionate our children are about reading, and this was fantastic to see. We cannot wait to work with our new ambassadors and implement some exciting ideas at school.

### Reading at Moat Farm autumn term:

- Visit our website for regular updates on reading events and news about reading in school.
- Look out for our new and exciting reading competitions, all available on the reading page of our website.
- Reading rewards have been given out to all children for autumn 1- congratulations!
- New reading initiatives have been established in school to promote a love of reading, including the Book Doctor!

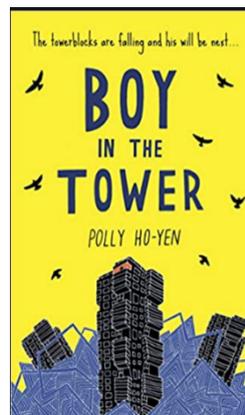

### Ms Stone recommends...

#### The Lion, the Witch and the Wardrobe by C.S. Lewis.

It is a magical story that is so exciting to read. I always wanted to open my wardrobe to find Narnia. The story tells you so much about right and wrong and even if we make mistakes, we can make things right again.

### Jaiden L, Y6 recommends...

#### Boy in the Tower by Polly Ho-Yen

From the moment I started reading this book I was hooked! It is full of action, adventure, and friendship. The book is told from the point of view of Ade, whose job it is to try and save the city of London!
