## Congratulations!

Congratulations to all our children who took part in our spring reading award. This was a huge achievement, as the majority of spring term was spent remote learning. We hope you enjoyed taking part in the reading scavenger hunt. Keep up the good work!

Please remember to sign your child's reading record. It promotes the importance of reading and is a lovely way to spend some time with your child at the end of a busy day.

Let us know what they've read or even what you've read to them! Take it in turns, ask each other questions and explore reading for pleasure together.

Visit [www.lovelybooks.co.uk](http://www.lovelybooks.co.uk) for more book ideas and tips for engaging your child in reading. There is a wide range of fun and creative activities to do.

## An Interview with Miss James

What's your favourite children's book and why?

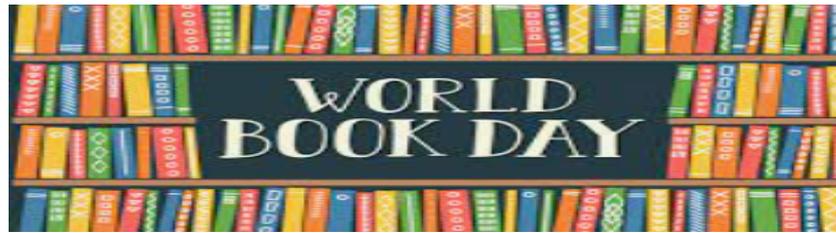

The Elves and the Shoemaker. I love this book as it shows that everyone should be kind and helpful to others, even when they do not have much themselves. I also love how at the end of the book the kindness is rewarded, and the couple show how grateful they are to the elves.

When or where do you most like to read?

I love to read anywhere that is peaceful. But, I mainly love to read to my children just before bedtime.

What are you currently reading?

The book I am currently reading is 'Do you know me?' by Libby Scott and Rebecca Westcott. It is the sequel to 'Can you see me?'.

## Nothing Stops us from celebrating!

Despite the majority of school learning remotely for World Book Day, we still found a way to share our favourite books and participate in a week of celebrating our love of reading!

The children at Moat Farm were treated to different challenges each day, leading up to the Masked Reader, which we all thoroughly enjoyed
